

LEASE AMENDMENT

(Stanford Hills)

THIS LEASE AMENDMENT (the "**Amendment**") is made and entered into as of _____, 2013 (the "**Effective Date**") by and between THE BOARD OF TRUSTEES OF THE LELAND STANFORD JUNIOR UNIVERSITY, a body having corporate powers under the laws of the State of California ("**Lessor**"), and _____ (together with all successors and assigns, "**Lessee**") in the following context:

A. Lessor holds the fee title to certain real property located in the City of Menlo Park, County of San Mateo, State of California, which constitutes a portion of the lands of The Leland Stanford Junior University ("**Stanford University**").

B. Lessor and Arnold Development Co., a California corporation (the "**Original Lessee**"), were the parties to that certain lease dated as of April 27, 1959 (the "**Lease**"), under which Original Lessee leased from Lessor lands commonly known as Stanford Hills, and more particularly described in the Lease as originally executed (the "**Subdivision Land**"). Pursuant to the Lease, Original Lessee subdivided the Subdivision Land into seventy-eight (78) residential parcels, provided the infrastructure for the subdivision, and improved the Subdivision Land with single-family residences. The Lease allowed the Original Lessee to partially assign the Lease as to each improved parcel, and during the term of the Lease, the leasehold interests in each improved parcel have been transferred to subsequent assignees from time to time.

C. As a result of subsequent partial assignments of the Lease, Lessee is the current Lessee and holder of a leasehold interest (the "**Leasehold Interest**") with respect to that certain parcel of real property (the "**Parcel**") commonly known as _____, Menlo Park, California, and more particularly identified on the attached **Exhibit A** (the "**Legal Description**") , on which is located a single-family home and other structures, landscaping, hardscaping and improvements (collectively, the "**Residence**", and together with the Parcel, the "**Property**").

D. Over the years, various lessees have expressed concern about the upcoming end date of the Lease for the Subdivision Land and their ability to have buyers to purchase their Leasehold Interests. On or about April 24, 2013, Lessor announced its offer to all lessees of parcels comprising the Subdivision Land to amend the Lease as set forth in this Amendment. Lessor and Lessee desire to amend the Lease as between Lessor and Lessee (i) to allow Lessee to extend the term of the Lease by providing two five (5)-year free extensions and to provide Lessee the option to further extend the Lease by payment of an extension fee; (ii) in the event Lessee desires to sell the Leasehold Interest, to provide Lessor with a right of first offer; and (iii) to make other minor, technical changes.

NOW THEREFORE, Lessor and Lessee hereby agree to amend the Lease with respect to the Property, on the terms and conditions set forth in this Amendment.

1. Extensions of Term. The following provisions are added and incorporated into the Lease:

1.1 Extension of Term. The term of the Lease (the “**Term**”) is currently scheduled to expire as of April 29, 2058. Lessor grants to Lessee, at no cost, an additional term of five (5) years and one (1) day, so that as of the Effective Date, the Term of the Lease is extended to April 30, 2063 (the “**Lease Expiration Date**”), unless further extended pursuant to the terms and conditions of this Article 1 or terminated earlier in accordance with the Lease. The Lease shall be automatically extended for an additional term of five (5) years as of April 30, 2018. Neither of the foregoing 5-year extensions shall be subject to the Extension Fee described in Section 1.4. In the event Lessee exercises an Extension Right (as described in Section 1.2) prior to April 30, 2018, such extension shall not be subject to an Extension Fee, but the cumulative number of months of any Extension Terms (as defined in Section 1.2) created during such time shall be deducted from the second 5-year (60-month) automatic extension provided above, and the second extension shall be only for the number of months remaining after such deduction, with the effect that on April 30, 2018 the new Lease Expiration Date will be April 30, 2068.

1.2 Further Extension Rights. Subject to the terms and conditions set forth in this Article 1, Lessor grants to Lessee the continuing right to extend the Term of the Lease (the “**Extension Right**”) for as many times as desired prior to the Extension Right Expiration Date defined below, each time for a number of calendar months (calculated from the first (1st) day of a calendar month through the last day of such month) of Lessee’s choosing (the “**Extension Term**”) that, when combined with the then-remaining Term of the Lease, results in no more than a total Term of fifty-one (51) years (or 612 months) as of the date of the extension, either by actual fact or by rounding, as described in Section 1.4 below. In no event shall the final Lease Expiration Date of this Lease be later than April 30, 2109. The Extension Right is subject to Section 2.8 of this Amendment and is contingent upon (a) Lessee’s compliance with the requirements of Article 2 of this Amendment, and (b) Lessee not being in default of its obligations under the Lease as of the date Lessee delivers the Extension Notice described in Section 1.3(b) or at any time prior to the Extension Fee Payment Date (as defined in Section 1.4).

1.3 Exercise of Extension Right. When Lessee desires to exercise the Extension Right, Lessee and Lessor shall proceed as follows:

(a) Upon written request by Lessee delivered to Lessor in substantially the form of the attached **Schedule 1.3(a)(i)** (the “**Appraisal Request**”), Lessor shall engage at its sole expense a Qualified Appraiser (as defined below) to conduct an appraisal of the Fee Simple Land Value of the Parcel (the “**Lessor Appraisal**”) in accordance with the appraisal guidelines attached as **Schedule 1.3(a)(ii)** (the “**Appraisal Guidelines**”). The Lessor Appraisal shall be completed and delivered to Lessee within thirty (30) days after the date Lessor receives the Appraisal Request, and shall reflect an effective date of value (the “**Effective Date of Value**”) equal to the date Lessor acknowledged receipt of the Appraisal Request. The Lessor Appraisal shall remain in effect for six (6) full months from the date the Lessor Appraisal was delivered to Lessee, and no additional Appraisal Requests shall be permitted while a Lessor Appraisal is still in effect until the date that is thirty (30) days prior to the expiration of the respective six-month period. “**Qualified Appraiser**” means an appraiser who is licensed in the State of California and an MAI or SRA designated member of the Appraisal Institute (or should the Appraisal Institute cease to exist, the successor organization

and/or equivalent designations), with not less than five (5) years of experience appraising single-family residential properties in the southern San Mateo County/northern Santa Clara County area. A Qualified Appraiser must determine, prior to accepting an assignment, that he or she can perform the assignment in accord with the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation, and the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute.

(b) Lessee may exercise the Extension Right by delivering notice to Lessor in substantially the form of the attached **Schedule 1.3(b)** (the “**Extension Notice**”). The Extension Right may be exercised at any time and as often as Lessee elects up until and including April 29, 2058 (the “**Extension Right Expiration Date**”). Subject to the terms and conditions of Article 2, the Extension Right may also be exercised by any subsequent assignee(s) of Lessee’s Leasehold Interest until the Extension Right Expiration Date. Lessor shall acknowledge the date Lessor received the fully completed Extension Notice (the “**Extension Notice Date**”) by completing the bottom portion of **Schedule 1.3(b)** and returning a copy of the Extension Notice to Lessee within three (3) business days after receipt of the completed Extension Notice; provided that Lessor shall have no obligation to do so unless and until Lessor determines that the Extension Notice is complete.

1.4 Extension Fee. In consideration for the extension of the Term, Lessee shall pay a fee to Lessor (the “**Extension Fee**”) that is based on (a) how many calendar months still remain in the then-current Term at the time of the extension, (b) how many full calendar months the Lease is to be extended from the then-current Lease Expiration Date, and (c) the then-current Fee Simple Land Value, as defined in Section 1.5 below. The Extension Fee shall be calculated by Lessor using the schedule attached as **Schedule 1.4(a)** (the “**Extension Factor Schedule**”), which assigns a percentage factor (the “**Extension Factor**”) for each month of remaining Term over a 51-year time period. The payment date for the Extension Fee (the “**Extension Fee Payment Date**”) shall establish the starting date for determining the number of calendar months remaining in the then-current Term and the desired new Term. If the Extension Fee Payment Date is the first (1st) through the fifteenth (15th) of a calendar month, that partial month shall count as a full calendar month remaining in the current Term and in the new Term (the current Term plus the Extension Term). If the Extension Fee Payment Date is the sixteenth (16th) day of a calendar month or later, that partial month shall not count as a calendar month remaining in the current Term or the new Term. The Lease Expiration Date shall always be the last day of a calendar month. By way of example, if the Lease is scheduled to expire on December 31, 2077, and Lessee desires to purchase an additional month of term by making an Extension Fee payment on November 20, 2077, for purposes of determining the Extension Factor, the then-current Term shall be assumed to be one calendar month because the Extension Fee Payment Date is after the 15th of the month and November would not be counted as a full calendar month. Conversely, if the Lease is set to expire on December 31, 2077, and Lessee desires to purchase an additional month of term by making an Extension Fee payment on November 15, 2077, two calendar months will remain in the then-current Term, because November would be counted as a full calendar month.

The Extension Fee shall be calculated using the following formula:

[(i) the Extension Factor corresponding to the number of calendar months remaining in the current Term as of the Extension Fee Payment Date **MINUS** (ii) the Extension Factor corresponding to the number of calendar months in the new Term (the current Term **plus** the Extension Term) as of the Extension Fee Payment Date]

MULTIPLIED BY

(iii) the Fee Simple Land Value of the Parcel (as defined in Section 1.5)

An example of the Extension Fee Calculation is attached as **Schedule 1.4(b)** (the “**Extension Fee Calculation Example**”). The Extension Fee will be recalculated if the actual Extension Fee Payment Date is different than the original estimated Extension Fee Payment Date to the extent that the date change results in a new set of corresponding Extension Factors.

1.5 Determination of Fee Simple Land Value of the Parcel and Calculation of Extension Fee. The “**Fee Simple Land Value**” of the Parcel is defined as the then-current fee simple equivalent land value based on the Parcel being a finished, vacant lot, with existing site grading, streets, off-site utilities to the curb, and other supporting infrastructure, but excluding the Residence and other improvements on the Parcel. The Fee Simple Land Value of the Parcel shall be established for purposes of calculating the Extension Fee as described in **Schedule 1.5** (the “**Establishment of Fee Simple Land Value**”).

1.6 Completion of Lease Extension; Effect of Delay. After determination of the Extension Fee, and if Lessee still desires to exercise the Extension Right, Lessee shall execute the Extension Amendment and the Memorandum of Extension Amendment, both as defined in **Schedule 1.5**, and deliver them to Lessor with a cashier's check for the Extension Fee on the Extension Fee Payment Date set forth in the Extension Notice. No later than three (3) business days after receipt of all of the foregoing, including payment of the Extension Fee, Lessor shall execute the Extension Amendment and the Memorandum of Extension Amendment, submit the Memorandum of Extension Amendment for recordation in the Official Records of San Mateo County, California, and return a fully executed original of the Extension Amendment to Lessee. If Lessee does not deliver all required funds on the Extension Fee Payment Date stipulated in the Extension Notice, or the appraisals require updating pursuant to Section (c) of **Schedule 1.5**, Lessor shall recalculate the Extension Fee (if necessary) and promptly deliver a revised Extension Fee Calculation (as defined in **Schedule 1.5**) to Lessee, along with a revised Extension Amendment and Memorandum of Extension Amendment reflecting the revised Extension Fee Payment Date as the effective date of the Amendment. Lessee acknowledges that in either such event, the completion of the Lease extension could be delayed, and Lessor shall have no liability to Lessee resulting from such delay.

1.7 Withdrawal of Extension Notice. Once the Fee Simple Land Value of the Parcel is determined pursuant to the process described in Section 1.5 and the Extension Fee has been calculated, or in the event of any change in the Extension Fee described in Section 1.6, Lessee shall have the right to withdraw the Extension Notice by written notice to Lessor, in which case Lessee shall not be obligated to pay the Extension Fee and the Term shall not be extended. Withdrawal of the Extension Notice shall have no effect on the right of

Lessee or subsequent assignees of Lessee's Leasehold Interest in the Property to exercise the Extension Right in the future.

1.8 Extension in Connection with a Sale. Notwithstanding the procedures described in Section 1.6 for the completion of a Lease extension, if the Extension Right is being exercised in connection with a Third-Party Sale (as defined in Section 2.6) of the Leasehold Interest that is permitted pursuant to Article 2 below, the extension of the Lease may be completed in connection with such Third-Party Sale, and the Extension Fee may be paid from the purchase price through escrow. In such case, to the extent Lessee has not previously done so in connection with Section 2.6, Lessee shall also promptly advise Lessor as to the title company handling the sale, the scheduled date of closing, and any other information relevant to the transaction. The closing of the Third-Party Sale may occur prior to the completion of the Lease extension, but the third-party purchaser shall not be entitled to the Lease extension and Lessor will not execute the Extension Amendment until the process for determining the Fee Simple Land Value described in **Schedule 1.5** has been completed, all requirements under Section 2.6(h) have been met, and the Extension Fee has been finally calculated and paid to Lessor (through escrow or otherwise). The provisions of Section 1.6 shall also apply to any Third-Party Sale.

2. Right of First Offer. The following provisions are added and incorporated into the Lease:

2.1 Right of First Offer. Notwithstanding the provisions of Section 10 of the Lease, Lessee grants Lessor a right of first offer ("**ROFO**") to purchase the Leasehold Interest prior to any sale of the Leasehold Interest by Lessee (a "**Sale**"); provided that Lessor shall have no obligation to exercise the ROFO and purchase the Leasehold Interest when presented to Lessor.

2.2 Lessee Offer. If Lessee desires to market its Leasehold Interest for sale, before commencing any marketing activity, Lessee shall deliver a written notice of intent to market and offer to sell its Leasehold Interest to Lessor ("**Notice of Intent to Sell**") in substantially the form of the attached **Schedule 2.2**, setting forth all the material terms and conditions (other than those specified in Section 2.5(a), (b), and (c) below, but including by way of example only, any seller leaseback, seller financing, delayed closing, and any other concessions or non-standard terms) (collectively, "**Other Material Terms**"), and the price (the "**Lessee Offer Price**") upon which Lessee proposes to sell its Leasehold Interest (collectively, the "**Lessee Offer**"). The Lessee Offer Price stipulated in the Notice of Intent to Sell shall be based on Lessee's existing Term, whether or not a Lease extension is anticipated as part of a prospective Third-Party Sale, and shall be the gross price before any deduction for closing costs, lender fees, or brokerage commissions. Concurrently with the delivery of the Notice of Intent to Sell, Lessee shall deliver to Lessor a Real Estate Transfer Disclosure Statement ("**TDS**") in the form required by California Civil Code Section 1102.6, and/or any comparable disclosure requirement subsequently imposed by applicable law. Lessor shall acknowledge the date Lessor received and deemed complete the Notice of Intent to Sell (the "**Lessee Offer Date**") by completing the bottom portion of **Schedule 2.2** and returning a copy of the completed Notice of Intent to Sell to Lessee within two (2) business days after receipt of the completed Notice of Intent to Sell; provided that Lessor shall have no obligation to do so unless and until Lessor determines that the Notice of Intent to Sell is complete.

2.3 Initial Walk-Through. Within five (5) business days after the Lessee Offer Date, Lessor and its employees, agents and contractors ("**Lessor's Agents**") will have access to the Property for the purpose of conducting a walk-through of the Property. Lessee shall make the Property available at reasonable times for such walk-through. Lessor shall indemnify, defend and hold Lessee harmless from and against any and all claims, liens, demands, losses, damages, liabilities, costs and expenses (collectively, "**Claims**") incurred by Lessee and resulting from the activities of Lessor or Lessor's Agents in the course of Lessor's walk-through; provided that such indemnity shall not extend to any Claims arising from the mere discovery of any condition of the Property during the course of such walk-through. During this period, Lessee shall also complete and deliver to Lessor any supplemental disclosure information reasonably requested by Lessor or generally in use with respect to residential home sales in the southern San Mateo County/northern Santa Clara County area.

2.4 Lessor Election. Lessor shall have until the later of (a) ten (10) business days after the Lessee Offer Date, and (b) five (5) business days after the date Lessee grants Lessor access to the Property for its walk-through, to elect in writing (in its sole discretion) whether to purchase the Leasehold Interest on the terms and conditions set forth in the Lessee Offer by delivery of its response in substantially the form attached as **Schedule 2.4** (the "**Lessor ROFO Response**"). Lessee shall promptly acknowledge receipt of the Lessor ROFO Response and return a copy to Lessor.

2.5 Documentation of Purchase. If Lessor elects in the Lessor ROFO Response to purchase the Leasehold Interest, within ten (10) business days after the date of the Lessor ROFO Response, Lessor shall prepare and the parties shall enter into a purchase and sale contract for the Leasehold Interest in a form then being commonly used for residential home sales in the southern San Mateo County/northern Santa Clara County area, and subject to the following terms:

(a) Escrow. Within three (3) business days after execution of the purchase and sale contract, the parties shall open escrow with a title company selected by Lessor, and Lessor shall deliver to escrow a deposit towards the purchase price equivalent to three percent (3%) of the purchase price.

(b) Due Diligence Contingency. Lessor shall have the right to conduct a due diligence investigation of the Property in accordance with standard terms of a residential purchase and sale contract, for a period of ten (10) business days, and shall have the right to terminate the purchase and sale contract and revoke its election to purchase the Leasehold Interest as provided in the purchase and sale contract with or without cause, for any reason or no reason, in accordance with standard market practice. Lessee grants Lessor the right to reasonably access the Property (including without limitation the interior of the Residence) to perform any investigations pursuant to the purchase of the Property.

(c) Title. Lessor shall accept title to the Property subject to the lien of current real estate taxes not yet due or payable, public utility easements, and other public rights and assessments. Lessee shall remove all monetary liens and other encumbrances as of the close of escrow.

(d) Closing. The parties shall mutually agree on a closing date, which shall be no later than ten (10) business days after removal of Lessor's due diligence

contingency, unless otherwise agreed between Lessor and Lessee as an Other Material Term of the Lessee Offer.

(e) **Broker's Commission.** Lessee shall pay any broker commissions due in connection with the ROFO and Sale of the Property to Lessor. Lessor shall not charge to Lessee any Lessor brokerage costs associated with Lessor's purchase of the Leasehold Interest, nor will Lessor require credit against the purchase price for any Lessor brokerage costs.

2.6 Third-Party Sale. If Lessor does not elect to purchase the Leasehold Interest on the terms and conditions of the Lessee Offer, or fails to respond to the Lessee Offer within the time period prescribed in Section 2.4 above, Lessee shall have the right to sell its Leasehold Interest to a third party (a "**Third-Party Sale**") at any time within one (1) year after the Lessee Offer Date (which, in the event there has been no Lessor ROFO Response, shall be the date Lessee submitted the Notice of Intent to Sell) (the "**Outside Closing Date**"), without having to reoffer the Leasehold Interest to Lessor; provided that the Third-Party Sale price, excluding any Extension Fee intended to be paid from the Third-Party Sale price at the time of such purchase but prior to any deduction for closing costs, lender fees, or brokerage commissions (the "**Net Sale Price**"), is no less than ninety-five percent (95%) of the Lessee Offer Price set forth in the Notice of Intent to Sell (the "**Threshold Price**"), and the Other Material Terms of the Third-Party Sale do not significantly differ from those stated in the Notice of Intent to Sell.

(a) When Lessee has received an acceptable written offer from a third party (the "**Third-Party Offer**"), and Lessee and such third party have come to terms on a sale of the Leasehold Interest, whether or not the proposed Third-Party Sale incorporates an extension of the Term, Lessee shall deliver written notice to Lessor in substantially the form of the attached **Schedule 2.6(a)** (the "**Notice of Pending Sale**") setting forth the price and the Other Material Terms of the Third-Party Offer, and indicating whether the Other Material Terms in the Third-Party Offer are consistent with the Other Material Terms of the Lessee Offer. The Notice of Pending Sale shall also include all documents, whether executed or not, between Lessee and the third party in connection with the Third-Party Offer. Lessor shall acknowledge the date Lessor received the Notice of Pending Sale (the "**Notice of Sale Date**") by completing the bottom portion of **Schedule 2.6(a)** and returning a copy of the completed Notice of Pending Sale to Lessee within two (2) business days after receipt of the Notice of Pending Sale. Lessee need not have signed a purchase contract with the third party in order to submit the Third-Party Offer. If a purchase contract is signed by Lessee, it must include the following language: "This purchase contract may be subject to a right in favor of the Board of Trustees of the Leland Stanford Junior University ("Stanford") to match Buyer's offer and purchase the Property. This purchase contract is effective only after Stanford has either confirmed that it has no right to purchase the Property, or has waived such right."

(b) Lessor shall respond to the Notice of Pending Sale within three (3) business days after the Notice of Sale Date in substantially the form of the attached **Schedule 2.6(b)** (the "**Lessor Sale Response**"), in which Lessor shall indicate its decision to match the Third-Party Offer pursuant to Section 2.6(d) below, if applicable. If a Lease extension is contemplated to be paid from escrow and the Third-Party Offer price is for an extended Term, the Net Sale Price shall be calculated as follows, with the Extension Fee being calculated assuming the Extension Fee Payment Date is the closing date of the Third-Party Sale:

(i) If the Extension Fee has been calculated pursuant to Article 1 above and the Fee Simple Land Value of the Parcel has been finally determined, the actual Extension Fee shall be deducted from the Third-Party Sale price; or

(ii) If the Extension Fee has not yet been calculated and the Fee Simple Land Value of the Parcel has not yet been finalized pursuant to Article 1, for purposes of Lessor issuing its decision as to whether or not it will match the Net Sale Price, if applicable, the Extension Fee shall be calculated based on the Lessor Appraisal in effect as of the Notice of Sale Date (or in the absence of an unexpired Lessor Appraisal, Lessor's good faith estimate of the then current Fee Simple Land Value) and an Extension Fee Payment Date equal to the anticipated Third-Party Sale closing date, and then deducted from the Third-Party Offer price.

(c) Subject to requirements of this Article 2, any proposed Third-Party Sale that occurs prior to the Outside Closing Date with a Net Sale Price at or above the Threshold Price, where the Other Material Terms are not significantly different than the Lessee Offer, and which has been confirmed to be a permitted sale by Lessor shall be deemed a **"Permitted Sale"**.

(d) If the Net Sale Price is below the Threshold Price, or the Other Material Terms of the Third-Party Offer are significantly different from those in the Lessee Offer, Lessor shall have the right to match the Net Sale Price and the Other Material Terms of the Third-Party Offer and purchase the Leasehold Interest in accordance with Section 2.5. In case Section 2.6(b)(ii) applies, the Net Sale Price to be paid to Lessee at closing will be calculated when the Fee Simple Land Value of the Parcel and the Extension Fee have been finally determined. If Lessor elects not to purchase the Leasehold Interest on the terms and conditions of the Third-Party Offer, the proposed sale shall be deemed a Permitted Sale (subject to final confirmation as noted in Section 2.6(e) below). Notwithstanding the foregoing, in the event there is any subsequent change in the Other Material Terms, or a change in the purchase price that results in the Net Sale Price being reduced below the Threshold Price prior to closing, Lessee shall submit a revised Notice of Pending Sale and the foregoing provisions of this Section 2.6 shall apply.

(e) Any Third-Party Sale must be consummated on or before the Outside Closing Date. Upon consummation of any Sale, Lessee shall deliver to Lessor a notice of assignment in substantially the form of the attached **Schedule 2.6(e)**, indicating the closing date of the Third-Party Sale and the name of the assignee, along with a copy of the final escrow closing statement, a copy of the final executed purchase and sale contract with the third party, and a recorded copy of the leasehold deed, assignment of lease, or other instrument conveying the Leasehold Interest in the Property (collectively, the **"Notice of Assignment"**). Lessor's acknowledgement of the Notice of Assignment shall include acknowledgement of the assumption of the Lease by the new Lessee of record (the **"Successor Lessee"**), and shall indicate whether the Sale remains a Permitted Sale.

(f) If a Third-Party Sale does not occur before the expiration of the Outside Closing Date (whether or not the contract for the proposed Third-Party Sale remains in effect), but Lessee still desires to sell its Leasehold Interest, Lessee shall again deliver to Lessor a Lessee Offer in accordance with Section 2.2 (but offering the Leasehold Interest to Lessor on terms at least as favorable to Lessor as the terms of the Third-Party Offer or those

being offered to the public at the time the new Lessee Offer is delivered), and Lessor shall have the right to accept or reject the new Lessee Offer in accordance with this Article 2.

(g) If a proposed Third-Party Sale includes an extension of the Lease, and the Extension Fee determination pursuant to Article 1 is not completed by the time Lessee desires to close the Third-Party Sale, or by the Outside Closing Date, Lessee may elect to close the Third-Party Sale prior to completion of the Lease extension, but the third-party purchaser shall not be entitled to the Lease extension, and Lessor shall have no obligation to sign the Extension Amendment until the process for determining the Extension Fee described in Article 1 has been completed, the Sale is deemed to be a Permitted Sale pursuant to Section 2.6(h) below, and the Extension Fee has been paid to Lessor (through escrow or otherwise). The provisions of Section 1.6 shall apply to the Third-Party Sale.

(h) If a proposed Third-Party Sale includes an extension of the Lease, Lessor shall receive a copy of the final escrow closing statement and a copy of the final executed purchase and sale contract with the third party, and Lessor shall have the right to confirm compliance with the requirements of this Article 2 before executing the Extension Amendment and finalizing the extension of the Lease. If Lessor determines that Lessee has not complied with the requirements of this Article 2, the provisions of Section 2.8 shall apply.

(i) The ROFO and subsequent right to match a Third-Party Offer in the event of a proposed Third-Party Sale shall be ongoing, and except as otherwise provided in Section 2.7 below, shall apply to all transfers of the Leasehold Interest proposed at any time during the Term of the Lease, whether by the original Lessee named in this Amendment or any Successor Lessee.

2.7 Exclusions from ROFO. Notwithstanding the foregoing, the ROFO shall not apply to any transfer of a Leasehold Interest occurring due to (a) the creation of a revocable trust by Lessee as an estate planning tool, (b) the dissolution of a marriage or domestic partnership or other living arrangement in which one named Lessee of the Leasehold Interest transfers his or her interest to the other named Lessee, (c) the death of Lessee and inheritance of the Leasehold Interest pursuant to a will or trust agreement; provided that a probate sale of the Leasehold Interest shall not be excluded from the ROFO, or (d) the Sale or gift of the Leasehold Interest by Lessee to a direct lineal descendant of Lessee. Lessee shall deliver to Lessor a Notice of Assignment upon the consummation of any of the foregoing transfers. Additionally, Lessor agrees for the benefit of any existing or future lender having a lien on the Property (a "**Leasehold Mortgage**") that foreclosure of a Leasehold Mortgage or any sale thereunder, whether by judicial proceedings or by virtue of any power of sale contained in the Leasehold Mortgage, or any conveyance of the Leasehold Interest under the Lease from Lessee to a lender by virtue or in lieu of foreclosure or other appropriate proceedings in the nature thereof, shall not constitute a breach of Article 2 of this Amendment, and upon such foreclosure, sale or conveyance, Lessor shall recognize Lender, or any other foreclosure sale purchaser or recipient of any deed in lieu, as the Lessee under the Lease. Any subsequent Sale of the Leasehold Interest by the Lender, or any other foreclosure sale purchaser or recipient of any deed in lieu shall be subject to the requirements of Article 2 of this Amendment. Any assignees of the Lease pursuant to this Section 2.7 shall be subject to all of the terms of the Lease.

2.8 Breach of ROFO Rights. In the event Lessee fails to make a Lessee Offer when required to do so, Lessee misrepresents any material information, or Lessee

otherwise breaches its obligations set forth in this Article 2, (a) Lessee shall be in breach of the Lease, and subject to all rights and remedies available to Lessor under the Lease or pursuant to applicable laws, and (b) the right to any further Lease extensions shall terminate as to Lessee and any Successor Lessee(s), and the provisions of Article 1 of this Amendment shall have no further force or effect during the remainder of the Term.

2.9 Effect of Assignment. Upon the consummation of a Permitted Sale, a transfer permitted pursuant to Section 2.7, the foreclosure of a mortgage or conveyance of a deed-in-lieu of foreclosure of a mortgage:

(a) The Successor Lessee shall be deemed (without the requirement of any additional documentation) to have (i) acknowledged that Lessor will have made no representations or warranties with respect to the Lease or the Property, and (ii) waived, released and discharged Lessor from any and all claims, damages, liabilities, costs and expenses of any kind or nature relating in any manner, directly or indirectly, in whole or in part, to the Property, the Leasehold Interest, or the Lease;

(b) The Successor Lessee shall be deemed to have acknowledged (i) that it is the responsibility of the Successor Lessee to ascertain whether the requirements of this Article 2 have been complied with and (ii) that the Extension Right remains in full force and effect; and

(c) The Successor Lessee shall be (i) liable for any uncured defaults in the performance of the terms and conditions of the Lease existing as of the date of the assignment, (ii) subject to any remedies available to Lessor as a result of any breach of this Article 2 by the assigning Lessee and (iii) subject to the potential loss of the Extension Right as described in Section 2.8.

3. Other Provisions. The following provisions are added and incorporated into the Lease:

3.1 Notices, etc. Notwithstanding the provisions of Section 22 of the Lease, all notices, demands or other writings to be sent pursuant to the Lease and this Amendment, or which may be sent by the parties to this Amendment, shall be deemed to have been sent when made in writing, sent by certified mail with a return receipt requested, or delivered in person or by reputable overnight courier, and addressed as follows:

To Lessor: Stanford Real Estate Office
 3160 Porter Drive, Suite 200
 Palo Alto, CA 94304-8442
 Attention: _____

To Lessee: At the address of the Property

The address to which any notice, demand or other writing may be sent to either party may be changed upon written notice given by such party as above provided. Any notice under the Lease to be given to an assignee shall be valid if given to the assignee of record. Any notice under the Lease to be given to the holder of a mortgage shall be valid if given to the holder of a mortgage at such address as may be specified in the recorded mortgage.

3.2 Unenforceability or Invalidity of Provision. To the extent that any provision of the Lease or this Amendment is found invalid, void, or unenforceable by a court of competent jurisdiction, or so rendered by legislative or administrative action, the validity of the remainder of the Lease shall not be affected and shall remain in full force and effect as if the Lease had been executed in the absence of the portion held to be invalid, void, or unenforceable.

3.3 Entire Agreement of the Parties. This writing expresses the entire agreement of the parties with respect to the matters contained in the Lease and this Amendment. There are no other representations, oral or written, which in any manner alter its terms.

3.4 Lessee's Representations. Lessee represents and warrants to Lessor that as of the Effective Date, Lessee is the sole owner(s) of the Leasehold Interest created by the Lease with respect to the Property, and Lessee has not assigned or encumbered (in part or in whole) any rights, claims, defenses or offsets it may have had under the Lease prior to the execution of this Amendment. Other than any mortgage of record in the Official Records of San Mateo County that encumbers the Leasehold Interest as of the Effective Date, Lessee has not granted any party a security interest affecting the Property.

3.5 Written Statement of Disclosure. In connection with any subsequent transfers of the Leasehold Interest by Lessee, Lessee shall be solely responsible for providing such disclosure to its assignees.

3.6 Memorandum of Lease Amendment. Concurrently with the execution of this Amendment, the parties shall execute and acknowledge a memorandum of this Amendment in substantially the form of the attached **Schedule 3.6** (the "**Memorandum of Lease Amendment**"), which Lessor shall cause to be recorded in the Official Records of San Mateo County, California.

3.7 Effect of Amendment. As modified by this Amendment, the Lease remains in full force and effect. All of the provisions added by this Amendment shall be incorporated as terms and conditions of the Lease as of the Effective Date, and future references to the Lease shall be deemed to mean the Lease as modified by this Amendment.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Amendment as of the Effective Date.

Schedule 1.3(a)(ii) APPRAISAL GUIDELINES

- (a) **Purpose of the Appraisal:** The purpose of the appraisal is to establish the Market Value of the fee simple interest in the subject Parcel. The Parcel is defined as Lot (___) of Tract (____), commonly known as _____ [*insert subject property street address*].
- (b) **Hypothetical Property Condition – Vacant Site:** The appraisal is to assume the Parcel to be a finished, vacant lot, with existing site grading, streets, off-site utilities to the curb and other supporting infrastructure, but excluding the Residence and all other improvements on the Parcel.
- (c) **Client and Intended Use of the Appraisal:** The client is _____ (*the client is the person who engages the appraiser to perform the assignment*). This appraisal is to be utilized exclusively by the client and Stanford University to assist in determining the Extension Fee for a ground lease extension.
- (d) **Property Rights Appraised:** The fee simple estate is to be appraised, defined as absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat. The ground lease with Stanford University is to be disregarded.
- (e) **“Market Value”** is defined as “the most probable price that the specified property interest should sell for in a competitive market after a reasonable exposure time, as of a specified date, in cash, or in terms equivalent to cash, under all conditions requisite to a fair sale, with the buyer and seller each acting prudently, knowledgeably, for self-interest, and assuming that neither is under duress.”
- (f) **Exposure Time:** Exposure time consists of the reasonable marketing period for the Parcel preceding the Effective Date of Value (defined below). The exposure time presumes an adequate, sufficient, and reasonable marketing effort. The appraisal shall include an opinion of the reasonable exposure time reflecting market conditions as of the Effective Date of Value.
- (g) **Highest and Best Use:** The highest and best use of the Parcel shall be assumed to be for one single-family residence, consistent with the use provisions of the Lease.
- (h) **Effective Date of Value:** The date of the appraised value shall be specified in the appraisal as the “Effective Date of Value”.
- (i) **Applicable Valuation Techniques:** For the appraised Parcel, the sales comparison approach, utilizing sales of individual vacant lots and sales of improved properties for land value only, shall be the primary appraisal technique. For this appraisal, sales of improved properties for land value only means that the purchaser intends to demolish the existing improvements, or in fact has demolished the existing improvements after the purchase. Absent any comparable sales of vacant lots and land-value properties, the market extraction technique shall be the secondary valuation technique. By the market extraction technique, land value is extracted from the sale price of an improved property comparable sale by deducting the contributory value of the improvements.

- (j) **Comparable Sales:** The primary location of the comparable sales, including vacant lots and improved properties, utilized in the sales comparison approach and/or market extraction technique, shall be within the Comparable Neighborhood, as defined below.
- (k) **Comparable Neighborhood:** The “Comparable Neighborhood” shall mean the area identified on **Attachment A** to this **Schedule 1.3**; provided, however, that if in the professional opinion of the appraiser there are too few comparable sales in the Comparable Neighborhood, the Qualified Appraiser may use other comparable transactions in other proximate neighborhoods, if necessary, so long as the Qualified Appraiser provides a written explanation justifying the reasons for doing so, and continues to use comparables in the Comparable Neighborhood as the primary basis for determining the Fee Simple Land Value of the Parcel. Sales of leasehold estates located within the Stanford Hills Subdivision and Stanford Creek Subdivision shall be excluded as comparable sales, as these transactions are leaseholds with prices impacted by the terms and conditions of the Lease.
- (l) **Appraiser Qualifications:** The appraiser must indicate that he or she is licensed in the State of California and an MAI or SRA designated member of the Appraisal Institute (or should the Appraisal Institute cease to exist, the successor organization and/or equivalent designations) with not less than five years of experience appraising single-family residential properties in the southern San Mateo County/northern Santa Clara County area. The appraiser must determine, prior to accepting the assignment, that he or she can perform the assignment in accord with the Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation, and the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute.
- (m) Any appraiser whose Lessee Appraisals (as defined in **Schedule 1.5** of this Amendment) in either the Stanford Hills subdivision, and/or in the subdivision commonly known as “Stanford Creek”, are not averaged with a Third Appraisal, as defined in **Schedule 1.5** of this Amendment, (when a Third Appraisal is required) more than five (5) times in any two-year period shall be disqualified from an engagement by Lessee, and Lessor shall notify Lessee of such disqualification.
- (n) Lessor reserves the right to make reasonable modifications to these guidelines to conform to changes in appraisal practices.

EXTENSION FEE CALCULATION EXAMPLE

If a Lessee exercises the Extension Right when there are 36 years remaining on the Lease Term (432 calendar months) and wants to extend the Lease by an additional 15 years to create the maximum allowable term of 51 years (612 calendar months), and the Fee Simple Land Value of the Parcel has been determined to be \$1,800,000, the first step to calculating the Extension Fee is to determine the Extension Factors in the Extension Fee Formula. The Extension Factor corresponding to the current Term of 432 calendar months is 25.370%, and the Extension Factor corresponding to the new desired Term of 612 calendar months is 14.326%. The difference between these two Extension Factors is $25.370\% - 14.326\% = 11.044\%$. The Extension Fee can now be calculated as follows: $11.044\% \times \$1,800,000 = \$198,792$. If, instead, Lessee only desires a 10-year Lease extension to create a new Term of 46 years (552 calendar months), the Extension Factor corresponding to the desired new Term would change to 17.332%. In this case, the Extension Fee would be calculated as follows: $25.370\% - 17.332\% = 8.038\%$, which is multiplied by \$1,800,000 to result in an Extension Fee of \$144,684.

Schedule 1.5

ESTABLISHMENT OF FEE SIMPLE LAND VALUE

(a) At any time Lessee exercises the Extension Right, Lessee shall indicate on the Extension Notice whether Lessee accepts or declines the Fee Simple Land Value of the Parcel specified in the unexpired Lessor Appraisal as defined in Section 1.3 (a) of this Amendment.

(b) If Lessee declines the Lessor Appraisal but wants to proceed with the exercise of the Extension Right, Lessee shall engage a Qualified Appraiser at its sole expense prior to submitting the Extension Notice, who shall provide a written appraisal of the Fee Simple Land Value of the Parcel (the “**Lessee Appraisal**”) in accordance with the Appraisal Guidelines. The Effective Date of Value of the Lessee Appraisal shall be no earlier than thirty (30) days prior to, and no later than, the Extension Notice Date. Upon request by Lessee, Lessor shall make available a list of at least three (3) Qualified Appraisers (the “**Appraiser List**”), but except as provided in the Appraisal Guidelines, Lessee will have the right to select any Qualified Appraiser to conduct the Lessee Appraisal, whether or not included on the Appraiser List. Lessor shall have the right to modify the Appraiser List from time to time in Lessor’s sole discretion. The Lessee Appraisal, if any, shall be delivered to Lessor concurrently with the Extension Notice.

(i) If the Lessee Appraisal and the Lessor Appraisal differ by an amount that is equal to or less than ten percent (10%) of the higher of the two appraised values, the two appraised values will be averaged to determine the Fee Simple Land Value of the Parcel.

(ii) If the Lessee Appraisal and the Lessor Appraisal differ by more than ten percent (10%) of the higher of the two appraised values, then within ten (10) business days after the Extension Notice Date, Lessee shall select a third appraiser, who must be on the Appraiser List and who will be engaged by Lessor. The third appraiser will within forty-five (45) days from the Extension Notice Date make an independent determination of the Fee Simple Land Value of the Parcel (the “**Third Appraisal**”) in accordance with the Appraisal Guidelines and submit such determination to Lessor and Lessee. The Third Appraisal will then be averaged with the closer (in dollars) of either the Lessor Appraisal or the Lessee Appraisal to determine the final Fee Simple Land Value of the Parcel; if the Third Appraisal is exactly the average of the values in the Lessor Appraisal and Lessee Appraisal, the Third Appraisal shall determine the final Fee Simple Land Value of the Parcel. The Effective Date of Value in the Third Appraisal shall be the same as in the Lessee Appraisal. The Third Appraisal shall be paid for by the party whose appraisal was not averaged with the Third Appraisal to arrive at the Fee Simple Land Value of the Parcel.

(c) Both the Lessee Appraisal and the Third Appraisal, if applicable, shall be valid for six (6) full months from the Extension Notice Date. If the Lessee Appraisal and any applicable Third Appraisal expire during the appraisal process, Lessee must deliver a new Extension Notice, and the Fee Simple Land Value of the Parcel shall be determined pursuant to the process outlined in Sections (a) and (b) above. The Extension Fee shall be recalculated once the Fee Simple Land Value of the Parcel is re-determined. If the Extension Fee Payment Date has not occurred before the expiration of the Lessor Appraisal, a new Appraisal Request and Extension Notice must be filed and the appraisal process shall start over, as outlined in Sections (a) and (b) above. If the expired Lessor Appraisal was declined and the appraisal process then underway included a Lessee Appraisal and a Third Appraisal, if applicable, that have not yet expired, Lessee may elect to apply the existing appraisals to the updated Lessor Appraisal or obtain a new updated Lessee Appraisal pursuant to Section (b) above. Lessee shall notify Lessor of such election in the revised Extension Notice. Under any of the circumstances

described above, the Extension Fee shall be recalculated as necessary once the Fee Simple Land Value of the Parcel has been re-determined.

(d) If Lessee accepts the Lessor Appraisal, or the difference between the two appraisals is equal to or less than ten percent (10%) of the higher of the two appraisals, as described in Section (b)(i) above, then within ten (10) business days after the Extension Notice Date, Lessor shall provide a calculation of the Extension Fee and deliver it to Lessee in substantially the form attached to this **Schedule 1.5 as Attachment A** (the “**Extension Fee Calculation**”), along with two (2) execution originals of an amendment of the Lease (in substantially the form attached to this **Schedule 1.5 as Attachment B**) that identifies the new Lease Expiration Date (the “**Extension Amendment**”), and a recordable memorandum of the Extension Amendment (in substantially the form attached to this **Schedule 1.5 as Attachment C**) (the “**Memorandum of Extension Amendment**”). If a Third Appraisal is necessary, as described in Section (b) above, or if any appraisals are updated pursuant to this **Schedule 1.5**, Lessor shall deliver the Extension Fee Calculation, the Extension Amendment and the Memorandum of Extension Amendment within ten (10) business days after the date the Fee Simple Land Value of the Parcel can be finally determined. Lessee agrees that except as provided in this **Schedule 1.5**, neither the Lessor Appraisal nor the determination of the Qualified Appraiser engaged pursuant to Section (b)(ii) above shall be appealable.

MEMORANDUM OF LEASE AMENDMENT

Recording Requested By
and when Recorded Return To:

THE UNDERSIGNED DECLARE THAT NO DOCUMENTARY TRANSFER TAX IS DUE UNDER REVENUE AND TAXATION CODE SECTION 11911. THERE IS NO TAXABLE TRANSFER OF REAL PROPERTY AS THIS IS A FURTHER EXTENSION OF TERM OF A RESIDENTIAL LAND LEASE THAT ALREADY HAS A REMAINING TERM OF MORE THAN 35 YEARS.

MEMORANDUM OF LEASE AMENDMENT

THIS MEMORANDUM OF LEASE AMENDMENT is entered into as of _____ (the “**Effective Date**”), by and between The Board of Trustees of the Leland Stanford Junior University, a body having corporate powers under the laws of the State of California (“**Lessor**”), and _____ (“**Lessee**”).

A. Lessor is the owner of that certain property located in Menlo Park, California, commonly known as _____, and more particularly described in attached **Exhibit A** (the “**Property**”).

B. Lessor and Lessee are the current parties to that certain Lease with respect to the Property dated as of April 27, 1959 (and as subsequently amended, the “**Lease**”), whereby Lessor leased the Property to Lessee’s predecessor-in-interest for a term of ninety-nine (99) years, commencing on April 30, 1959 and ending on April 29, 2058. The Property includes a single-family home and other improvements.

C. Lessor and Lessee are the parties to that certain Lease Amendment dated as of _____, 2013 (the “**Lease Amendment**”), a true and correct copy of which is attached as **Exhibit B**, which Lessor and Lessee have entered into, without any monetary consideration being exchanged, to extend the term of the Lease from April 29, 2058 to April 30, 2063, to provide for various Lessee options to further extend the term of the Lease and to provide Lessor a right of first offer to purchase the leasehold on terms Lessee proposes should Lessee ever decide to sell its leasehold interest in the Property.

NOW THEREFORE, for valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. **Property.** Lessor leases the Property to Lessee and Lessee leases the Property from Lessor, upon the terms and conditions of the Lease, which terms and conditions are incorporated herein by this reference.

2. **Term.** The term of the Lease expires, if not sooner terminated pursuant thereto, on April 30, 2063 (the "**Term**").

3. **Extension Right.** Subject to Article 2 of the Lease Amendment, Lessee has the right to extend the Term of the Lease pursuant to Article 1 of the Lease Amendment.

4. **Right of First Offer.** Lessor has a right of first offer to purchase Lessee's leasehold interest in the Property upon terms presented by Lessee, as more particularly described in Article 2 of the Lease Amendment. Under certain circumstances, Lessor also has the right to match a third-party offer to purchase Lessee's leasehold interest in the Property, as more particularly described in Section 2.6 of the Lease Amendment. IF LESSEE BREACHES ITS OBLIGATIONS REGARDING LESSOR'S RIGHT OF FIRST OFFER AND LESSOR'S RIGHT TO MATCH A THIRD-PARTY OFFER (IF APPLICABLE), OR BREACHES ANY OTHER REQUIREMENTS OF ARTICLE 2 OF THE LEASE AMENDMENT, OR IF LESSEE MISREPRESENTS ANY MATERIAL INFORMATION REGARDING A THIRD-PARTY OFFER OR ANY MODIFICATIONS OF SUCH OFFER, (A) LESSEE SHALL BE IN BREACH OF THE LEASE, AND SUBJECT TO ALL RIGHTS AND REMEDIES AVAILABLE TO LESSOR UNDER THE LEASE OR PURSUANT TO APPLICABLE LAWS, AND (B) THE RIGHT TO ANY FURTHER LEASE EXTENSIONS (OTHER THAN THOSE PREVIOUSLY EXERCISED AND PAID FOR) SHALL TERMINATE AS TO LESSEE AND ANY SUCCESSOR LESSEE(S), AND THE PROVISIONS OF ARTICLE 1 OF THE LEASE AMENDMENT SHALL HAVE NO FURTHER FORCE OR EFFECT DURING THE REMAINDER OF THE TERM.

5. **Controlling Document.** This Memorandum of Lease Amendment is subject to all the terms and conditions of the Lease and the Lease Amendment. Should there be any inconsistency between the terms of this instrument and the Lease and the Lease Amendment, the terms of the Lease shall prevail.

6. **Effect of Amendment.** As modified by the Lease Amendment, the Lease remains in full force and effect. All of the provisions added by the Lease Amendment shall be incorporated as terms and conditions of the Lease as of the Effective Date, and future references to the Lease shall be deemed to mean the Lease as modified by the Lease Amendment.

7. **Counterparts.** This Memorandum of Lease Amendment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

RELEASE OF CLAIMS

(Stanford Hills)

THIS RELEASE OF CLAIMS (the "**Release**") is made and entered into by _____, (together with all successors and assigns, "**Lessee**") for the benefit of THE BOARD OF TRUSTEES OF THE LELAND STANFORD JUNIOR UNIVERSITY, a body having corporate powers under the laws of the State of California ("**Lessor**").

Background Recitals

A. Lessor holds the fee title to certain real property located in the City of Menlo Park, County of San Mateo, State of California, which constitutes a portion of the lands of The Leland Stanford Junior University.

B. Lessor and Arnold Development Co., a California corporation (the "**Original Lessee**"), were the parties to that certain lease dated as of April 27, 1959 and recorded in Book 3591 at Page 1, Official Records of San Mateo County, California (the "**Lease**"), under which Original Lessee leased from Lessor lands commonly known as Stanford Hills, and more particularly described in the Lease as originally executed (the "**Subdivision Land**"). Pursuant to the Lease, Original Lessee subdivided the Subdivision Land into seventy-eight (78) residential parcels, provided the infrastructure for the subdivision, and improved the Subdivision Land with single family residences. The Lease allowed the Original Lessee to partially assign the Lease as to each improved parcel, and during the term of the Lease, the leasehold interests in each improved parcel have been transferred to subsequent assignees from time to time.

C. As a result of subsequent partial assignments of the Lease, Lessee is the current Lessee and holder of a leasehold interest (the "**Leasehold Interest**") with respect to that certain parcel of land commonly known as _____, Menlo Park, California, and more particularly identified on the attached **Exhibit A** (the "**Legal Description**"), on which is located a single-family home and other structures, landscaping, hardscaping and other improvements (all of which, together with the land, are collectively referred to in this Release as the "**Property**").

D. The Lease is currently scheduled to expire as to the Property on April 29, 2058. On or about April 24, 2013, Lessor announced its offer to all lessees of parcels comprising the Subdivision Land to amend the Lease pursuant to an amendment (the "**Amendment**") that provides (i) a free initial extension of the Lease, and (ii) options permitting lessees to further extend the Lease as to their parcels by payment of an extension fee. In consideration for the free initial extension and the further extension rights, Lessor will obtain a right of first offer to purchase the leasehold interest related to each parcel in the event a lessee who has signed the Amendment desires to sell its leasehold interest. As a condition to the Amendment, and without in any way suggesting that claims exist, Lessor requires that the lessee(s) of such parcel release Lessor from liability for any claims related to the Leasehold Interest and Property.

E. Lessee has elected to enter into the Amendment in order to obtain the benefits of the free initial extension and the further extension rights, and Lessee gives this Release in connection with the Amendment.

NOW THEREFORE, Lessee agrees as follows:

1. Release. Lessee unconditionally waives, releases, acquits and forever discharges Lessor and its trustees, officers, employees, affiliates, successors and assigns (collectively, the "**Lessor Parties**") from any and all actions, omissions, losses, claims, causes of actions, demands, rights, damages, costs, expenses or compensation whatsoever, direct or indirect, known or unknown, liquidated or unliquidated, foreseen or unforeseen, which may at any time be associated with the Leasehold Interest or which Lessee may now have or which may arise in the future on account of or in any way related to, connected with or arising from any value, nature, quality, feature, characteristic, circumstance, communication, term or condition about or of the Property, the Lease, the Leasehold Interest, the terms and conditions of the Lease or the Leasehold Interest, or Lessor's decision to offer the Amendment to its lessees, including without limitation the extension rights described in Recital D above, the timing and the terms upon which the extension rights are offered, Lessor's requirement that in exchange for the foregoing Lessor be granted the right of first offer described in Recital D above or Lessor's decision not to offer any different benefits or terms (all of which are collectively referred to in this Release as the "**Released Claims**"). In connection with such release and to the extent of the Released Claims, Lessee waives any and all rights and benefits conferred upon it by the provisions of Section 1542 of the California Civil Code, which reads as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor,"

and all rights and benefits conferred by any analogous state or federal law or regulation or any common law principles of similar effect.

2. Representations and Warranties. Lessee represents and warrants to Lessor that: (i) Lessee is the sole owner(s) of the Leasehold Interest and the Released Claims; (ii) Lessee has not sold, assigned, transferred, or otherwise disposed of any of the Released Claims; (iii) the Released Claims are free and clear of all liens, claims, encumbrances and rights in others; and (iv) Lessee has full power and authority to enter into this Release.

3. Covenant Not to Sue. Lessee agrees never to commence, assist in any way or cause, permit or advise to be commenced or prosecuted by any person or entity any action or proceeding based upon any of the Released Claims.

4. Successors and Assigns. This Release shall be binding upon Lessee and its successors, assigns, heirs and personal representatives, and shall inure to the benefit of the Lessor Parties.

5. Effective Date. The Release shall become effective on the Effective Date of the Amendment with Lessee (as those terms are defined in the Amendment with Lessee).

Stanford Creek and Stanford Hills Leaseholder

RE: Lease Extension Offer: Follow Up Regarding Release

Dear Stanford Creek/Stanford Hills Leaseholder:

I am writing to members of the Stanford Creek and Stanford Hills communities to address an issue that has been reported to the University as a source of some confusion relating to the University's Lease Extension Offer ("Offer"), the terms of which were provided in April. The issue involves the release document that is a condition for accepting the Offer: some are concerned the release affects claims other than those with some factual basis prior to the release date. Understandably, leaseholders do not want their participation in the program to compromise rights beyond those released claims.

The reason the University asks for a release is to ensure clarity in its leasing relationships. In return for providing the opportunities in the Offer, the University expects to move ahead unencumbered by prior claims relating to the leaseholds. Accordingly, leaseholders are asked to waive claims relating to matters that may have some factual predicate prior to the date of the release. However, the release does not include claims premised on facts occurring only after the date of the release. To that end, this letter confirms what has been conveyed in the FAQs available on the program website:

"The release covers claims, if any, you might have against Stanford that relate in any way to your lease relationship up until and as of the date of the Lease Amendment, but not after it. The release would not affect any new claim that may arise following the Lease Amendment date."

I hope this letter clarifies the University's position relating to the Offer's release. My office remains available to the leaseholder community should anyone have remaining questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra L. Zumwalt", written over a horizontal line.
